## REVIVAL WAS A BIG SUCCESS

ABOUT FIFTY ADDITIONS TO THE ANDALUSIA CHURCHES AS A RESULT OF MEETING—FOUR MEN ARRESTED ON CONSPIRACY CHARGE.

Andalusia, May 11.—Dr. R. A. Watton, an evangelist of Louisville, Ky., who has been conducting a series of meetings here in the opera house for

the past three weeks, closed last night. His meeting has been one of the most successful ever held at Andalusia, there being about fifty additions to the different churches, the greater number going to the Baptist church. Dr. Watton is a noted Presbyterian evangelist, and he has made a host of friends since his arrival here. He brought with him three noted singers, who were quite an addition to his services and added much to the success of the meeting. They all leave for their home tomorrow morning over the L. & N. via Montgomery.

**Four Men Arrested.**  
Three deputy U. S. marshals came down from Montgomery today and arrested John and Henry Richardson and John and James Bullard, on the charge of conspiracy, and took them to Montgomery. It is charged that these men went to the residence of Mr. Thompson, a government witness last fall, and took him out and severely whipped him. The U. S. grand jury found indictments against the defendants this week.

The circuit court convenes here next Monday, the 17th. The docket is not so large as usual and it is not expected that this term will last over two weeks.

Mr. and Mrs. J. W. Barnes were in Mobile last week at the bedside of Van McCaskill, a brother of Mrs. Barnes, who was recently seriously hurt at Bluff Springs. Mr. McCaskill is improving slowly.
